

Edgarley Assisted Living

MEMO

No: 24.2023

Date: 28/04/2023

To: NOK, Families and POA

From: Trish McKenzie

Subject: COVID Positive

Hi To All Family Members and NOK's

Due to a new COVID Positive resident we will be returning to the process as below.

This email is to inform you that we have had a positive COVID in Edgarley Assisted Living in the Glenelg Wing today 28/04/2023. The facility continues to only have one positive staff member who is away from the facility for the required 7-day period. The Public Health Unit and DOH have been informed of the new case.

When visiting the facility, you will be required to wear full PPE when visiting the positive resident which includes NP95 mask, goggles or shield and gown. You will be required to put on PPE before entering the room and to be removed before leaving the resident's room, placing the used PPE into the yellow infectious waste bag. Instructions for removal of PPE is placed on the wall in each room. Also attend to antiseptic hand rub after leaving room.

For visiting all other residents at Edgarley Home Inc you will be required to wear NP95 mask and ensure hand hygiene is attended to on entering the building and on leaving.

All visitors are still required to have a negative RAT test before visiting any area of Edgarley Assisted Living. All visitors must report to the front office of the new building before entering any area of Edgarley Assisted Living. Please if you have any flu like symptoms or feel unwell, please put off visiting until you are better.

Also, if possible, can you please pass onto any friends that may wish to visit this information. We will continue to update you of further positive cases or changes.

Please if you have any question or concerns relating to this email, please contact me at the facility.

Many Thanks

Trish McKenzie IPC Lead
