MEMO

No: 29.2023

Date: 02/06/2023

To: NOK & Families

From: Trish McKenzie

Subject: COVID POSITIVE

Hi To All Family Members and NOK's

This memo is to inform you that we have had a positive COVID case in Edgarley Assisted Living in the Cheers Wing today 02/06/2023. The facility currently has no positive staff members. The Public Health Unit and DOH have been informed of the new case.

There are no changes to visitation to Family members and NOK are still able to visit but will be required to wear full PPE when visiting the one positive resident which includes NP95 mask, goggles or shield and gown. You will be required to put on PPE before entering the room and remove before leaving residents room placing used PPE into the yellow infectious waste bag. Instructions for removal of PPE is placed on the wall in the room. Please also attend to antiseptic hand rub after leaving the room.

For visiting of all other residents in the Edgarley/Cheers wing you will be required to wear NP95 mask and ensure hand hygiene is attended to on entering the building and on leaving. If just visiting Glenelg or Wannan wings you will also be required to wear a NP 95 mask.

All visitors please continue to attend to a RAT test prior to visiting any area of Edgarley Assisted Living. All visitors must present to the front office at new building before entry into Edgarley Assisted Living.

Also, if possible, can you please pass onto any friends that may wish to visit this information. We will continue to update you of further positive cases or changes.

Please if you have any question or concerns relating to this email, please contact me at the facility.

Many Thanks
