MEMO

No: 33.2023

Date: 04/09/2023

To: NOK & Families

From: Trish McKenzie

Subject: COVID POSITIVE

Hi To All Family Members and NOK's

This memo is to inform you that we have had a positive COVID in Edgarley Assisted Living in the Wannan Wing as of Sunday 03/09/2023.

The facility currently has 2 positive staff members.

The Public Health Unit and DOH have been informed of the new case.

There are no changes to visitation of Family members or other visitors. You all are still able to visit but will be required to wear full PPE when visiting the one positive resident which includes NP95 mask, goggles or shield and gown. You will be required to put on PPE before entering the room, and the removal of PPE before leaving the resident's room - placing the used PPE into the yellow infectious waste bag. Instructions for the removal of PPE is placed on the wall in the room. Also, please attend to antiseptic hand rub after leaving the room.

For visiting of all other residents in the Glenelg & Wannan you will be required to wear NP95 mask and ensure hand hygiene is attended to on entering the building and on leaving. If just visiting Edgarley/Cheers wings you will also be required to wear a NP 95 mask.

All visitors please continue to attend to RAT testing prior to visiting any area of Edgarley Assisted Living. All visitors please present to the front office.

Also, if possible, can you please advise any friends that may wish to visit this information but do not receive our updates. We will continue to update you of further positive cases or changes.

Please if you have any question or concerns relating to this email, please contact me at the facility.

Many Thanks
