

Edgarley Assisted Living  
MEMO No: 38.2023

**Date: 09/10/2023**

**To: NOK & Families**

**From: Trish McKenzie**

**Subject: COVID POSITIVE**

Hi To All Family Members and NOK's

This email is to inform you that we have had a positive COVID in Edgarley Assisted Living in the Wannon Wing as of Monday 09/10/2023. The facility currently has 3 positive staff members. The Public Health Unit and DOH have been informed of the new case.

There are no changes to visiting Family members and NOK are still able to visit but will be required to wear full PPE when visiting the one positive resident which includes NP95 mask, goggles or shield and gown. You will be required to put on PPE before entering room, and remove before leaving residents room, placing in yellow infectious waste bag. Instructions for removal of PPE is placed on the wall in the room. Please also attend to antiseptic hand rub after leaving room.

For visiting of all other residents in the Glenelg & Wannon and Edgarley/Cheers you will be required to wear NP95 mask and ensure hand hygiene is attended to on entering the building and on leaving.

All visitors please continue to attend to RAT testing prior to visiting any area of Edgarley Assisted Living. All visitors please present to the front office.

Also, if possible, can you please pass onto any friends that may wish to visit this information. We will continue to update you of further positive cases or changes.

Please if you have any question or concerns relating to this email, please contact me at the facility.

Many Thanks

Trish McKenzie IPC Lead
