

Edgarley Assisted Living  
MEMO No: 48.2023

**Date: 18/12/2023**  
**To: NOK & Families**  
**From: Amanda Lee**

**Subject: COVID POSITIVE**

---

Hi To All Family Members and NOK's

This memo is to inform you that we have had 2 positive COVID cases in Edgarley Assisted Living in the Glenelg Wing as of Sunday 17/12/2023. The facility currently has 2 positive staff members. The Public Health Unit and DOH will be informed of the new cases this morning.

There are no changes to visitation. Family members and NOK are still able to visit but will be required to wear NP95 mask and carry out thorough hand hygiene pre and post visit. Family members are asked to inform extended family and friends who maybe going to visit.

For visiting of all other residents in the Mitchell & Wannon Wings you will be required to wear NP95 mask and ensure hand hygiene is attended to on entering the building and on leaving.

All visitors please continue to attend to a RAT's test prior to visiting any area of Edgarley Assisted Living. All visitors please report to the front office.

We will continue to update you of further positive cases or changes.

Please if you have any question or concerns relating to this email, please contact the office at Edgarley.

Many Thanks

Amanda Lee RN
