UPDATES

2nd stage of the new building is now completed and the facility has occupancy. All residents that were still residing in Edgarley/Cheers wings have now moved into the new Mitchell Wing. The management will be looking at opening the Henty Wing in the near future. The facility had 4 COVID positive resident in December and 6 staff members. The facility had COVID surge workforce in to assist with staffing during this outbreak. We have had 3 new admission for the Month of December all were respite. The facility continues to have agency staff to assist with staff levels to ensure all safety and care needs are met for the resident in our care. The facility is continues to advertise for staff in all areas of work across the facility to help fill the gaps. Please if any NOK, family's or residents have any concerns please come and speak with us.
