No: 1.2024

Date: 04/01 /2023

To: NOK & Families

Subject: COVID Update.

Hi to All Family Members and NOK's

Update on the current COVID-19 outbreak. Due to a further 2 residents in Mitchell Wing and 2 staff testing positive over the Christmas New Year period the outbreak remains open. If we have no further positive cases over the next 3 days, we should be able to close down the outbreak. The facility has informed the PHU and DOH of the new cases.

All required care needs and precautions have been put in place in all wings. All visiting and PPE requirements remain the same as last MEMO.

Please if you have any question or concerns relating to this email, please contact me at the facility.

Many Thanks
