<b>UPDATES</b> <p>The facility had no COVID infections residents or staff over the month of June. We would like to welcome our new admissions, Patsy Robinson, Maurice O'Brien, Margaret Murfitt &amp; Janet &amp; Barry McDonough. We hope you enjoy your time with us.</p> <p>The facility has continued to recruited further staff from PCW to EN/RN. We welcome onboard our new staff and hope the enjoy working at Edgarley.</p> <p>We have also had Dylan Ferley visiting Dr from Riverview Family Clinic with us over the past few months, sadley we have to say goddbye we await to hear who our next Dr will be. We have had a new Dr service also commence at the facility Dr Farnbach from Hamilton Family Practice visiting on a Wednesday afternoon.</p> <p>The L&amp;L program continues to be well attended, with lots of outing occuring. It is great to see the residents return with smiles on thier faces and informong the staff of where they have been.</p>
