<div>UPDATES</div> <div>While spring maybe in the air, this was not the case Wednesday 16th October when Casterton was hit by a super cell and suffered devastating damage. Edgarley was hard hit and we are still awaiting repairs so residents can return to their usual areas. Unfortunately we are at the mercy of insurance assessors and contractors.</div> <div>Sadly we said good by to two of our residents in October, Ian Mackie and Beryl Sheeran. We pass on our deepest condolences and heart felt sympathy to their families and loved ones. They will be sadly missed by residents and staff a like.</div> <div>On a more positive note we would like to welcome Kaz Daley to Edgarley. Kaz has joined us in Mitchell, please make her welcome and we hope she settles into Edgarley life. We have also welcomed back Kevin Bloomfield for further respite. Hope he enjoys the time he is with us.</div> <div>Leisure and lifestyle also suffered at the hands of mother nature when the storm hit. The Edgarley bus suffered damage and has been out of service for a few weeks. Thankfully the bus has a new windscreen (the roof is still hail damaged, but this does not prevent it being used) so normal service has resumed.</div> <div>Please if any NOK,families or residents have any concerns please come and speak with us.</div>
