**UPDATES**

It appears we are seeing the warmer days in our rear vision mirror as we progress through autumn, with the cooler days setting in. We have welcomed a new resident Beverley Hofstede into our Wannon wing, please make her feel welcome. We have also welcomed a few new staff members, Winnie (PCW), Jade (Environmental) & Jane ( Environmental/laundry), please say hello and assist them in anyway required. Easter is almost upon us, Sue Wray has organised activities for the easter week which will entertain both residents and staff. Staff will be donating a gold coin to take part in each of the activities. All money raised over the week will go to The Royal Childrens Hospital Appeal, so please come along, have a laugh & support RCH appeal. Please if any NOK,families or residents have any concerns please come and speak with us.
