**UPDATES**

Winter has finally arrived and we have experienced a number of frosty morning already, but little rain which is badly needed. We are excited to announce that the rooms that were damaged during the storm have been repaired with one of the residents returning to his original room. During May we had the federal election take place, we were fortunate to have a mobile voting service set up in Edgarley. This allowed residents to cast their vote within the facility. Thank you to Leisure and lifestyle staff and the kitchen staff that arranged a lovely Mother's Day afternoon tea, your hard work was greatly appreciated by all that attended. If any NOK,families or residents have any concerns please come and speak with us.
