Subject: My Medicare

To: NOK, POA & Families

Hi to All NOK & POA's

Sending notification re request from Edgar House Medical Clinic, the Australian Government has put in place My Medicare. My Medicare is a voluntary resident registration which aims to formalise the relationship between the GP and the resident. By registering in My Medicare will identify that the resident sees this general practice as their regular care team.

If you have any questions, please feel free to contact me.

Kind Regards

Trish McKenzie CI/IPC LEAD
