UPDATES

Winter has hit us hard and fast with some much needed rain finally arriving. With the damaged rooms finally being completed we have been able to welcome 4 new residents. We would like to extend a warm welcome to Valma Barnes, Ann Beaughole, Len Jones and Carol Staines. We sincerely hope they enjoy their stay with us. On a not so pleasant note we have had a COVID outbreak, which has seen a number of residents and staff test positive. We were fortunate enough to have agency staff join us to ease the pressure while staff were unwell. Adam Robertson has completed the book he has been working hard to complete, detailing the history of Edgarley. The book launch has been placed on hold due to the COVID outbreak, so please check our website for further details.

If any NOK, families or residents have any concerns please come and speak with us.
