# From the CEO

Hi Everyone,

I am happy to announce that the work on the external repairs will begin soon. The Insurance Building Contractors have been on site the last couple of weeks obtaining measurements.

On July 4<sup>th</sup> we will be holding a Book Launch detailing the History of Edgarley, everyone is welcome to attend this special event.

An update on the Aged Care Reforms – this is now not due to be implemented until 1<sup>st</sup> November 2025. We are still waiting on the Grant Submission result, we should hear mid to late July if we are successful.

Well winter has definitely hit with the cold and frosty mornings, and some long awaited rain. With this change in weather the COLDS, FLU and COVID viruses are starting to ramp up, please stay well. If you are unwell, please stay home and limit your visits to Edgarley. By doing so this will protect our Residents, Staff & Visitors as much as possible.

Sue Wray  
CEO

## **LADIES AUXILIARY**

We are a very small band of volunteers that work towards supplying equipment to Edgarley or help with assistance to the residents in many forms. We would really like to get some new members to help us in this endeavour.

**We hold monthly meetings on the first Monday of the month** in the Alma Vickery function room Edgarley at 2 pm. If you feel you cant commit to this maybe you could help us out on an adhoc basis with some of our fundraisers. You don't have to have a connection to Edgarley to join our group. We look forward to any enquiries you may have. Please contact Lois Lowe for a membership form on 0439 812 468.

Membership is \$5 for the 12 months.

## **FOOD REGISTER BOOK**

Any fresh food brought into our facility for the residents will need to be entered into the register accordingly. The books can be found to the right of the Glenelg door

Thank you for your co-operation

## **Residents meeting**

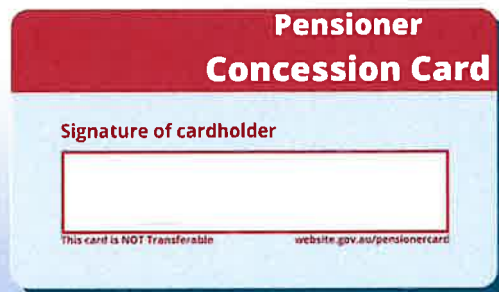

**Alma Vickery Room - Wednesday 2nd July 1.30pm**

We wish to invite family members to these meetings which will be held on the first Wednesday of each month.

## **Judy Smith is the resident/family representative on the Medication Advisory Committee.**

If any resident or family member has any questions or issues regarding their medication management at Edgarley (this does not include pharmacy accounts, they are to be taken up directly with the Pharmacy) Please contact Judy on 0429 192 841 and she will bring those question/issues to the meeting.

A reminder to all NOK.

If a resident receives an updated Medicare or Pension card, we will need a copy for our records.

Thank you

*"Volunteers are not paid -- not because they are worthless, but because they are priceless."*

## LEISURE AND LIFESTYLE VOLUNTEERS WANTED

Being a volunteer in Edgarley can offer companionship, and help with recreational activities. Volunteers can also provide emotional support, social engagement, and help to enhance the overall quality of life for residents. By offering their time and skills, volunteers can make a significant difference in the lives of the elderly and contribute to a positive community.

## Residents appointments

If a resident schedules an appointment on their own, they are responsible for arranging their own transportation. However, if they would like staff to provide transportation, the facility will handle the arrangements.

# Independent Living Units Update:

To ILU Residents,

I am happy to announce that the work on the external repairs will begin soon. The Insurance Building Contractors have been on site the last couple of weeks obtaining measurements.

On July 4<sup>th</sup> we will be holding a Book Launch on the History of Edgarley to which an invitation has been given to you all.

We have been informed that the Aged Care Reforms are now not due to be implemented until 1<sup>st</sup> November 2025.

We are still waiting on the Grant Submission result – we should hear mid to late July if we were successful. If we are successful with the Grant, then we will have a number of meetings for the planning process, and how the build will impact on any existing residents. There will not be any buildings demolished until sometime in 2026 to make way for the new build. Please be assured that there will be many opportunities for residents to have their input into the process ahead. If we are unsuccessful then we may ask for a payout of the repairs for the buildings that are vacant and damaged from the storm to which we may demolish them and just build a couple of new community/ activity areas. Again there will be opportunity for residents to have a say in the process, no actual work to be carried out until 2026.

The next ILU residents meeting will be in August, date to be advised.

## RESIDENT'S MEETING

May 7th 2025

**Present:** A. Bull, E. Inglis, F. Morrow, G. Brook, D. Fletcher, D. Parham, M. Parham,

R. Jordan, A. Peden, D. Thomas, J. Humphries, J. Zippel, N. Robertson

**Staff:** L. Power, A. Lee, T. Crick, A. Cates, J. Smith

**Apologies:** J. McDonough

**Meeting begins at 1:38 PM**

**Previous meeting read and passed, seconded by D. Fletcher**

Business arising from previous meeting:

- Maggie Beer meals still in the pipeline, though starting date still unknown.
- Residents very pleased with new male podiatrist, office trying to book him for more sessions if possible.
- Enough interested residents/staff have been booked for the Mobile Dental Clinic Australia to come down from Melbourne and offer their services. Date TBA.
- Mother's Day High Tea considered a success – last year's turnout was beaten by a whopping 37 guests. Residents thank staff for their help during the high tea.

### General Business:

**01: Elder Rights:** Julie from Elder Rights Australia opens the meeting by outlining their residents rights to them (right to respect, right to have their culture and identity respected, right to live free of abuse, etc), and how if they ever feel their rights and needs are not being met, that they are free to call ERA at any time and explain their feelings.

A. Lee informs residents that the ERA number (1800 700 600) is always freely available from the front office, and found also in pamphlets near the same. Julie then gives Leisure and Lifestyle brochures to hand out, and kindly thanks the residents for their time.

**02: Resident's Experience Survey:** A video is played on the widescreen, making residents aware of an upcoming out-of-house Resident's Experience Survey that aims to find out what residents *like* and *dislike* about aged care life. The survey consists of 14 questions, takes approximately 10-30 minutes to complete, is anonymous, and will be done by residents selected at random for the sake of impartiality.

**03: Bird Feeders:** Lez reveals plans to purchase bird feeders for the balconies on both floors, but admits he is having trouble finding the right kind. A feeder that is too open will cause mess and attract pests. There is controversy around the idea of bird feeders at all – some residents feel that they make wild birds lazy and complacent, others however would like to feed their feathered friends. For now, the discussion is put on hold.

**04: Microphone:** Since Residents Meetings have moved downstairs into the Alma Vickery Room some residents have found it difficult to hear the discussions, with one resident asked if the seating arrangement made more compact so that all could hear.

Mandy Lee also suggests the purchasing of a microphone to make things easier to hear.

**05: In Memory Of:** The Mackie family has donated two roses in the name of Ian Mackie and Lorna Mackie, both of whom are now deceased. May they rest in peace.

Residents also invited to the funeral service if they wish to attend.

**06: Activity Announcement:** At some point in the future daily activities will be announced over the PA system, so that all residents are reminded of what is happening, when it is happening, and where.

**07: Food:** Two residents request a personal chat with cook Leanne Hornibrook regarding their meals. Leisure and Lifestyle to pass word on to kitchen.

Meeting closed 2.19 PM

Little Billy was aged 4 and he couldn't read or write. His guardian found a new home for him. Billy was unable remember the address of his new house, so when they put him on the train, they tied a label around his neck with his name and the address on it. Even though the rail staff were looking after him, he never made it to his new home. He wasn't abducted or harmed by anyone, but he did take the label off and eat it.
