**UPDATES**

As we enter the final month of winter, we have received some much needed rain. July started with Edgarley in the middle of a COVID outbreak, I'm happy to report that we managed to contain the outbreak to the top floor. Thank you to all residents, staff, family and friends for their hard work, support and understanding. We have had three new residents join us over the month, Kenneth Merrett in Wannon wing, Keith Bromham and Hugh Eagleson both in Glenelg wing. Please make them feel welcome and we sincerely hope they enjoy their time at Edgarley. Unfortunately we said goodbye to three residents in July, Donald Aston, Val Guthrie and Brian Leak. We would like to extend our deepest sympathy to their family and friends, they will be sadly missed by staff and residents alike. If any NOK, families or residents have any concerns please come and speak with us.
