

Edgarley Assisted Living

MEMO

No: 232025

Date: 19/08/2025

Subject: My Medicare

To: Residents, NOK, POA

Hi to All Residents, NOK, or POA

Information: My Medicare and Aged Care

Edgar House (Medical Clinic) would like to inform you about My Medicare, a new voluntary registration system introduced by the Australian Government to strengthen the relationship between patients and their doctor.

Edgar House is seeking for the residents that reside at Edgarley Assisted Living to register for My Medicare as it allows stronger links between the resident and their doctor. An Edgarley staff member will be touching base with Residents/NOK/POA to gain permission if you wish to register.

If a resident wishes to register or a NOK, POA wish to register your family member you will be able to collect the registration form from the front office. Once you have completed and signed registration form you can return it to Edgarley front office. They will then be sent to Edgar House to complete the registration process.

Please see attached flyer for further information on My Medicare. If you have any further questions, you can contact myself or speak with Andrea an Edgar House Medical Clinic.

Kind Regards

Trish McKenzie CI/IPC LEAD
