<p>UPDATES</p> <p>While it would be lovely to say that we have been having a wonderful spring, but it appears to be a little late in arriving. However it has delivered some much needed rain. We have welcomed Carol McKinnon Ward into our Mitchell wing, please make her feel welcome and we hope Carol enjoys her time with us. Sadly we said good bye to Keith Bromham, we send our deepest condolences to his family. It has been almost 12 months since Casterton was hit by the super cell storm which caused enormous damage both to Edgarley and 100's of homes. The repairing of the damage is still in progress and will be for some time to come. If any NOK, families or residents have any concerns please come and speak with us.</p>
