UPDATES

The weather has certainly changed and with it has come some very much needed rain. Unfortunately we have had a number of residents and staff test positive for COVID, which has seen staff having to wear masks again. We have had some lovely agency staff assisting with the roster, while we have had staff off. The Edgarley bus is out of action at present, so sadly the residents have not been able to go for their trips around the country side. Sadly we said goodbye to 2 of our lovely residents over the month, Michael Fiedler and Philipa Kittson. We pass on our deepest condolences to their family and friends, they will be sadly missed. We have welcomed a number of new residents Audrey Bell in Glenelg, Jennifer Cruise in Mitchell, Freda and Ian Troeth both in Glenelg. We hope they enjoy their stay with us and they are made feel welcome.
 If any NOK,families or residents have any concerns please come and speak with us.
