## Memo

No : 102026

**To: Resident, POA, NOK and Families**

**Date: 30/04/2026**

**Re: COVID update**

To Residents, POA, NOK and Families

We are writing to inform you that we have had a staff member test positive for COVID today 30/04/2026.

As a result of this we will be implementing precautions to protect all residents, staff and visitors. All residents will be tested today (30/04/2026), Saturday (02/05/2026) and Monday (04/05/2026). If a resident is showing any symptoms, they will be tested regardless of the day.

Residents will still be attending activities; however, they will remain on their own floor. Family and NOK are still welcome to visit, we do ask that if you have any cold or flu symptoms to please refrain from visiting. Tests are available at the front office, so if you would like to test prior to entering, please do so. Masks are available for those that choose to wear one.

We will update if there are any changes. Thank you for your patience and understanding during this time. If you have any ongoing concerns or need further assistance, please do not hesitate to contact CEO Sue Wray or DON Mandy Lee via phone, email or in person.

Kind Regards

Michelle Parry-Hill IPC
