**Subject: COVID Update**

**To: Residents, NOK, POA & Families.**

COVID-19  
update A teal square graphic containing the text "COVID-19 update" and a white icon of a hand holding a shield.

We are writing to update you that as of today 18/05/2026 we have nil new cases and nil residents in isolation with COVID within our facility.

All staff are now wearing blue masks, rather than the heavy white masks. Visitors are asked to wear a blue mask when visiting

All staff that were off due to COVID have now returned to work. We thank the agency staff that assisted us during the outbreak.

We will test all residents again Friday morning and if we have nil new cases we can come out of masks completely.

We appreciate your support and understanding while we have worked through this outbreak. The health and wellbeing of our residents, staff and visitors will always be our highest priority.

Should you have any questions or require further information, please contact Edgarley.

Many Thanks

Michelle Parry-Hill
