**Subject: COVID Update**

**To: Residents, NOK, POA & Families.**

We are writing to update you that as of today 22/05/2026 we are COVID free.

Visitors and staff are no longer required to wear a mask (unless they have cough or cold symptoms).

I personally would like to thank all the residents and their families for their patience and understanding over the last 3 weeks.

The PHU have been informed and are happy for us to close off the outbreak.

The health and wellbeing of our residents, staff and visitors will always be our highest priority.

Should you have any questions or require further information, please contact Edgarley.

Many Thanks

Michelle Parry-Hill
