UPDATES

Winter has arrived right on cue and with it some much needed rain. This weekend we are all looking forward to the 30th Kelpie Festival, fingers crossed we don't get too cold or wet. We will be demonstrating the telehealth cart at our residents meeting. This is an amazing piece of equipment which allows residents to have their specialist appointments without leaving their rooms. This is so important at present due to the high cost of fuel. If you would like further details please feel free to speak to Trish McKenzie or Raelene McIntosh. We welcomed a number of new residents over the month, Terry Tranter to Wannan, Norman Wilson to Glenelg and Betty Sanders and Muriel Nolte both in Mitchell. Please make them feel welcome. If any NOK, families or residents have any concerns please come and speak with us.
