UPDATES Winter has settled in with cold frosty mornings, dark mornings and even darker evenings. The change in the weather has slowed down the work on the new roof, so the scaffolding remains in place. Sadly we said goodbye to Len Jones in June, we would like to pass on our deepest condolences to his family and friends, he will be missed by all staff and residents. We would like to welcome Ned Shannon to the Henty wing, please make him feel welcome. We are happy to report that we have our bus back in service, we just need a few nice days so we can take the residents for a trip around the country side. If any NOK,families or residents have any concerns please come and speak with us.
