COVID-19
update

We are writing to update regarding our current COVID outbreak.

As of today Tuesday 18th August 2026, we have had no further positive COVID-19 cases with resident or staff. The PHU has been informed and officially declared the recent COVID-19 outbreak CLOSED

We want to thank you for your patience, understanding, and cooperation during this time. Your support played a vital role in keeping our residents safe.

While the active outbreak has ended, protecting our residents remains our top priority. We kindly ask all family members and friends to refrain from visiting if you are feeling unwell or exhibiting any respiratory symptoms (such as fever, cough, sore throat, or runny nose). Also, if you have recently been exposed to a known positive case, we also ask that you please refrain from visiting.

If you have any questions or concerns, please feel free to contact myself or Michelle Parry Hill.

Many Thanks

Trish McKenzie IPC Lead
