## FEEDBACK

7 feedback for October
4 x Complaints ( 2 closed, 1 open & 1 in progress)
3 Compliments ( all closed)

## UPDATES

Edgarley had a spooky time for holloween, with a wonderful array of children in costumes for trick or treat.Thank you to Les from leisure & lifestyle who organised the evening and decorating the facility. Thank you to the residents for packing all the treat bags and thank you to the children and their parents for making the evening a success.We hope everyone managed to pick a winner on cup day, for some of us our horses appear to still be racing . Our lady residents had a lovely time making their race day head wear, thank you to the amazing volunteers who assisted on the day.We have had some lovely spring rain over the last month which has seen the grass and unfortunately the weeds grow rapidly. As I'm sure most people are aware, we have an election on the 28th November, if you feel your NOK needs their details updating or if you have any questions regarding this, please feel free to contact Michelle ext 144. We will have a mobile polling station in the Alma Vickery room, Wednesday 18th November 2pm-4pm. This will enable residents to cast their vote on site, voting on this day is also open to the local community. Just a reminder that Edgarley have the Telehealth cart which enables residents to have their appointments with consultants without leaving the facility. Please contact Clinical Lead Raelene for futher details.
If any NOK,families or residents have any concerns please come and speak with us.
